Terms of warranty;

- Period applies from date of installation and is subject to presentation of proof of purchase.
- Applicable only for latent defects and excludes installations where there is excessive hard/soft water, too high or too low water pressures as well as excessively high water temperatures.
- Normal “wear and tear” particular to the site and use of the product will be assessed which could void the warranty.
- Product must be installed by qualified/registered persons.
- Consequential damages or indirect losses do not form part of the product warranty.
- Cachet warrants to replace or repair faulty product at its sole discretion.
